Executive Summary

Food Safety and Agriculture

The food inspection system continues to perform as anticipated. UDAF has nothing new to report for Feb. 19.

Food safety and animal health inspections are progressing well and without incident.

Temporary Mass Gatherings

Problems identified during routine inspections are quickly being resolved.

Utah Department of Environmental Quality

The woodburn color is now green for all areas along the Wasatch Front. In Salt Lake, Davis, and western Weber Counties, current air quality is good; no health advisories are in effect. In Utah County, current air quality is moderate; no health advisories are in effect.

Utah Department of Health Hazardous Substances Emergency Events Surveillance (HSEES) System

There are no significant releases to report.

Disease and Injury Surveillance and Response

Influenza activity remains widespread. This level of activity is not unusual at this point in the influenza season.

Syndromic and injury surveillance have identified no public health problems in the past 24 hours.

Emergency Medical Services (EMS) Activity

Hospital surge capacity and blood supplies are adequate.

Rapid Response Team (R2T)

Nothing new to report.
